WALTER M. KEARNS, Auctioneer.

ON MONDAY AND TUESDAY EVENINGS,

February 26th and 27th, 1906.

COMMENCING AT 8 P. M.

The Coins and Medals will be on View each day from 2.30 to 6 P. M.

PLEASE READ BEFORE BIDDING.

Coins and medals are sold at so much per piece, no matter how many in a lot, and no lot will be separated. If a lot contains, say ten pieces, and you wish to pay $2 for it, bid 20 cents on the lot. The auctioneer will accept an advance of 1 cent up to 50 cents, then 5c. up to $2.50, when 10c. advance must be bid, up to $10, when no advance under 25c. will be accepted. You can bid anything up to 50c., after that the bid must be 50c. or 60c. Such offers as 51c. $1.01, etc., are unavailable. Remember, do not bid a lump sum for a lot, but by piece.

Auction sales are strictly for cash. Parties unknown to me and bidding for the first time, must give bank or other reliable reference.

Forward your bids as early as possible, as thousands of bids have to be entered. Do not make ridiculously low bids, such as 10c. and 15c., on foreign silver coins worth several times over as bullion. Write your bids plainly, with a pen if practicable. I have taken special pains to carefully describe each lot.

Where the number of pieces in a lot is not given after the description, there is but one piece in the lot.

The coins, etc., in each lot are different unless otherwise described.

My charge for executing bids will be 5 per cent. No charge made for bidding except for lots actually purchased.
